- **Red Alert Constituencies\***: 73(60%) out of 122 constituencies are red alert constituencies. Red alert constituencies are those where 3 or more contesting candidates have declared criminal cases against themselves.
- The **directions** of the **Supreme Court** have had **no effect on the political parties in selection of candidates** in the **Bihar Assembly Elections 2025 Phase II** as they have again followed their old practice of **giving tickets to around 32% candidates with criminal cases**. All major parties contesting in Bihar Elections Phase 2 have given tickets from **19 % to 100 %** candidates who have declared criminal cases against themselves. The Supreme Court in its directions dated 13th February, 2020 had **specifically instructed political parties** to give **reasons for such selection** and **why other individuals without criminal antecedents could not be selected as candidates**. As per these mandatory guidelines, the reasons for such selection has to be with reference to **qualifications, achievements and merit of the candidate concerned**. During the recent **Delhi Assembly elections held in february 2025**, it was observed that **political parties gave unfounded and baseless** reasons like popularity of the person, does good social work, cases are politically motivated etc. These are **not sound and cogent reasons** for fielding candidates with tainted backgrounds. This data clearly shows that **political parties have no interest in reforming the electoral system** and our democracy will continue to suffer at the hands of lawbreakers who become lawmakers.

### Recommendations of ADR:

- To remedy the existing problem of criminalization is to immediately act upon the plausible solutions offered by various committees, civil society and citizens. Supreme Court of India being the ultimate custodian of “Justice and Rule of Law” should reprimand political parties and politicians for their complete lack of will, reprehensible predilection and absence of required laws.
- Permanent disqualification of candidates convicted for heinous crimes like murder, rape, smuggling, dacoity, kidnapping etc.
- Disqualification of persons from contesting elections to the public offices against whom charges have been framed for having committed serious criminal offences punishable by imprisonment of at least 5 years, and the case is filed at least 6 months prior to the election in question.
- Cancellation of tax exemptions given to the political parties who field such tainted candidates.
- Bringing political parties under the Right to Information Act.
- De-register and de-recognise any political party if it knowingly puts up a candidate with a tainted background.
- Political party should annually file the information on criminal antecedents of their Office Bearers and make such records available to the public, including NIL records.
- Disqualification of candidates furnishing false information in the election affidavit (Form 26).

Data in this Kit is presented in good faith, with an intention to inform voters. Candidates' affidavits obtained from the ECI website ([www.eci.gov.in](http://www.eci.gov.in)) with nomination papers is the source of this analysis. Website: -[www.adrindia.org](http://www.adrindia.org), [www.myneta.info](http://www.myneta.info),

- Ensure trial of cases in which the politicians are accused to be concluded in a time bound manner.
- Implementation of SC judgment dated 23<sup>rd</sup> September, 2013 (i.e provision of NOTA buttons on the EVMs) in its *letter and spirit* by ensuring a) if NOTA gets more votes than any of the candidates, none of the candidates should be declared elected, and a fresh election should be held; b) in the fresh election, none of the candidates in the earlier election, in which NOTA got the highest number of votes, should be allowed to contest.
- Implementation of the **25<sup>th</sup> September, 2018** and **13<sup>th</sup> February, 2020 SC** orders on '*publication of criminal cases against candidates selected by political parties along with reasons for such selection*' in its *letter and spirit* by directing the Election Commission of India a) **to list out names of such tainted candidates selected by the political parties along with such reasons for such selection C8 including diligent publication of reasons in newspapers, T.V channels, party website etc, b) strict and constant reminders by ROs to the defaulters, c) list needs to be religiously prepared and submitted to the Supreme Court after every election, d) uploading of this list on ECI's website for public inspection, e) a suitably heavy financial penalty levied on political parties for making insufficient disclosures, invalid and common reasons, selection of candidates based on winnability and f) Officer in-charge of a political party pertaining to submission of a compliance report should also be held accountable for such a breach.**
- The Election Commission of India and all State Election Commissions *should make it* mandatory in all elections; Parliamentary, Assembly and Local Body elections to carry **display boards outside each and every polling booth showing a summarised version of candidates' affidavits**. The polling booths should essentially display details of *candidate's criminal records, assets and liabilities and education qualification*.
- The Election Commission of India under its 'Systematic Voters' Education and Electoral Participation' (SVEEP) as well as through other national campaigns on voter awareness held before every election should inform and aware the voters that **(i) taking and giving cash or gifts/freebies for votes is a criminal offense, (ii) such instances should be brought to the notice of the ECI through its web application, (iii) inform voters that information on criminal records of candidates is available on the ECI website, outside polling booths and other sources that the ECI may use.**
- Political parties in India should be required to announce/publish the list of candidates contesting elections **at least 3 months prior to elections**.
- Role of money and muscle power is evident from the fact that all major political parties in **Bihar Assembly Elections 2025 Phase II** have fielded **33% to 100% candidates who are crorepatis and 19% to 100 % candidates who have declared criminal cases** against themselves. This close and alarming nexus between money power and muscle power has got so ingrained in our electoral system that the citizens are left hostage to the current situation. Money and muscle power hurt the principles of '**free and fair elections**', '**participatory democracy**' and '**level playing field**'. The present circumstances therefore demand **an extensive deliberation by the voters so that sanctity of elections is not ridiculed by tenacious entry of tainted candidates and candidates with abnormal multiplication of assets.**
